## LOCAL MATTERS.

See this tomorrow at 5:40 a. m. and at 6:22 p. m. High water at 3:18 a. m. and 3:53 p. m.

**WEATHER PROBABILITIES.**—For this section generally fair tonight and Friday, winds generally fresh to brisk westerly.

**THE PRIMARY.**—The democratic primary election to nominate a candidate for the State constitutional convention has been in progress all day in both the city and county, and a fair vote is being cast. The polls opened at sunrise and will close at sunset—6:22 o'clock. Colonel F. L. Smith and Mr. J. M. Johnson, the only candidates, and their friends have been quite active all day in bringing out the vote, which at 4 o'clock this evening stood as follows:

First ward..... 238  
Second ward..... 204  
Third ward, Friendship precinct..... 247  
Fourth ward..... 256

**POLITICAL.**—As heretofore stated, no one as yet has announced himself a candidate for Mayor against Mayor Simpson, nor has anyone been found who seems willing to enter the race against him, though several gentlemen have been approached on the subject. Recently it is understood that Captain Thomas Perry, a popular merchant of this city, and Mr. J. R. N. Curtis, the popular Alderman from the Third ward, have been asked to run against Mr. Simpson for the mayoralty, but both have declined to be candidates. Mayor Simpson, in speaking of the matter today, said that he esteemed Mr. Perry and Mr. Curtis very highly and that their friendship for him was unquestioned, and that the city would certainly be in safe hands with either as mayor. Continuing, the mayor stated that the gentleman who had actively engaged in the work of getting a candidate against him had not only been to see Mr. Curtis, but had gone to another citizen several weeks ago upon the same errand. The mayor exhibits curiosity to know who are back of the movement, as an inducement to parties to run against him. Names of a number of gentlemen are being suggested for the City Council. As yet in the Gazette last week, all the present members, but Mr. Latham of the Second ward, will be candidates for reelection. In the First ward Mr. N. P. T. Burke will be re-elected by a number of friends for the Council, and Mr. T. L. Rishell will be in the Second ward. Messrs. Joseph S. Brown, John Harlow and S. B. Fisher are mentioned for the Common Council; in the Third ward Captain Albert Egan and Messrs. Thomas Fisher and Wm. Hellmuth will probably be candidates for the Common Council, and in the Fourth ward Mr. James Lawler some time since announced himself a candidate for the Common Council. Many friends of Mr. L. E. Uhler, of that ward, say they intend to support him for Council again this year.

**GOLDEN WEDDING.**—Mr. and Mrs. Leopold Genzberger celebrated the fiftieth anniversary of their wedding at their residence, 415 Wolfe street, yesterday. Leopold Genzberger and Betty Meyenberg were married at Baltimore, Md., on March 27, 1851, and removed to Alexandria in the fall of 1852, where they have resided, continuously, since. There were present of the children of Mr. and Mrs. Genzberger Messrs. Meyer and Ike Genzberger, of Butte, Montana; Mr. Sol Genzberger, of Helena, Montana; and Misses Amelia and Hannah Genzberger, of Alexandria. Among the guests were Mrs. Meyer Genzberger and Miss Ethel Genzberger, of Butte, Montana; Mrs. Sol Genzberger, of Baltimore; Mrs. L. S. Israel, of Helena, Montana; Mr. Morris Baar, of New York; Mr. and Mrs. M. R. Ryle, Mr. and Mrs. S. Alexander, Misses Bertha Meyenberg and Carrie Alexander and Dr. A. Samuels of Baltimore; Mr. and Mrs. L. Baar, Mr. and Mrs. Giles Heilprin, Mr. and Mrs. L. Mountrier, Misses Emma Meyenberg, Clara Cohen, Lillie Cohen, Josephs, Bertha Baar, Ruth Heilprin; also Mr. Sidney Baar, of Washington; Mr. and Mrs. Park Agnew, Miss R. Little Agnew and Miss M. and L. Genzberger, W. Phillips, and H. Blomfield, of Alexandria. About fifty telegrams were received from all parts of the United States, and many handsome presents suitable for the occasion were received. The decorations were artistic and were in gold and green, with potted plants and rare flowers. The festivities were kept up until a late hour, when the many guests departed for their homes wishing the old couple many more years of wedded bliss.

**A SPECIAL POLICEMAN.**—The fish dealers on the fish wharf have asked the Mayor to furnish a special policeman for the wharf during the season, as the half grown as well as full grown persons looting about there interfere with the unloading of fish, as well as with the cleaning and tubbing. Mayor Simpson has never appointed an officer for the purpose mentioned since he has been in office, though it has been done by other Mayors, and while he says he is willing to swear in a special officer to be paid for by the fish dealers, he is not willing to have the taxpayers subjected to the expense of keeping a special officer on the fish wharf, though he will give that wharf all the protection through the regular police force.

**A MISTAKE.**—A prominent manufacturer met with quite an indignity a few nights ago as he was wending his way homeward, through the zealous efforts of an officer of the police force, who insisted upon the gentleman accompanying him to be identified as a disorderly character. Several acquaintances, well known gentlemen was, but the latter was taken along all the same. The officer, it is said, ought to have been in a pleasant mood, as the gentleman says he saw him a short time before the arrest came into a barroom, get a cigar and light it very complacently and walk out.

**Stops the Cough and Works Off the Cold.**  
Laxative Bromo-Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

Prof. Teison, of Lancaster, Md., suffered terribly from neuritis of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kofol Dyspepsia Cure and after taking a few bottles he says, "It has cured me. I can eat anything I want to eat and feel like a new man." It digests what you eat.

**PERSONAL.**—Mrs. D. B. Lucas, of Charlottesville, Va., is visiting her brother, Rev. F. J. Brooke, of this city. A quiet wedding was celebrated yesterday at the residence of Senator and Mrs. Stewart, in Washington, when Miss Lila Shepard, of California, a niece of Mrs. Stewart, was married to Mr. Charles Walker, of Salt Lake City. Among those present were Mrs. R. W. French, of this city, a niece of Mrs. Stewart; General and Mrs. Lomax, Gen. William H. Payne, Mrs. Lucy Scott Payne and Miss Payne.

Capt. John T. Myers, of the Marine Corps, who distinguished himself in the siege of the Peking legations while in command of the American Legion guard, has been ordered to the Marine Barracks at Mare Island, Cal., for duty. Captain Myers is now on sick leave. Miss Margaret Durley of this city, and Mr. O. M. Ballou of Baltimore, were married last night at the residence of the bride's mother on Princess street.

**AGAINST HIS PROTEST.**—Thomas O'Brien was carried to Washington against his protest and struggles yesterday, and this morning when the matter was made known to the Mayor the latter stated that he desired it distinctly understood that the Mayor's office was in no wise responsible for such a high handed outrage and that if he, the Mayor, had known of it he would have headed the man's protest and that the man's rights as to proper papers would have been respected. He also said that O'Brien had his redress against those who had unlawfully abused him. The Mayor further says whether papers are proper or not if colored policemen come down from Washington to carry white persons through the streets of Alexandria handcuffed, he does not propose to have prisoners surrendered to them.

**PROPERTY SALES.**—Mr. S. H. Lunt sold at auction today a lot of ground with improvements thereon situated on the north side of Prince street, near Fayette, to Mr. T. R. Rowen for \$1,550. The lot of ground and improvements thereon situated on the west side of Payne street, near Princess, was purchased by the Mechanics' Building Association, No. 5, for \$1,550, and the property advertised for sale on the east side of Fayette street, near Princess, was bought in by Mechanics' Building Association, No. 4, for \$250.

**LENTEN SERVICES.**—Rev. W. B. Turner, of Washington, will deliver the last of the series of special Lenten sermons in Christ Church tonight at eight o'clock. Those who heard Mr. Turner's excellent sermon last Lent will be glad of the opportunity of hearing him again. All the members of other churches are extended a cordial invitation to attend.

**CHARTER.**—Judge Norton today granted a charter to the Pacific Office Building Company, the objects of which are to erect buildings and to buy, lease or sell real estate and personal property. The capital stock is \$25,000, and Colonel F. L. Smith is named as the local attorney. Mr. James F. Hood, of Washington, is president.

**POLICE COURT.**—The following cases were disposed of today:  
Ollie Lee, charged with stealing a pistol from Benj. Waters, was fined \$5.  
Wm. Porter, charged with disorderly conduct, was fined \$5.

**FISH.**—The receipts of fish are in increasing, but most of those arriving here are from the lower shores and come up by steamer. Today herring sold at 4.6 per thousand and shad at \$20a 25 per hundred for bucks and \$30a40 for roe.

**TO CURE A COLD IN ONE DAY.**  
Take LAXATIVE BROMO QUININE TABLETS. All druggists refund the money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

**An Honest Medicine for La Grippe.**  
George W. Watt, of South Gardiner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account, but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Richard Gibson, druggist.

Of Every Description.

And for those who can fit their needs to the odds and ends, it means a saving of a third, a half or more.

Scores of remnants and short lengths in Colored and Black Dress Goods, and all sorts of Wash Fabrics. Our rule of always cutting lengths to suit customers creates great quantities of remnants. The accumulation this week consists of the newest and brightest spring styles, and lengths are sufficient for a separate skirt, a waist, a child's frock, a boy's or girl's shirt waist. We have made the prices very low in order to sell quickly.

There are also multitudes of odds and ends, incomplete lines, broken sizes, and assortments, &c.—these, together with any merchandise not strictly perfect or not measuring up to our high standard, and any particular style or styles of goods that lag or have not sold as quickly as we think they should—are treated as remnants, and by force of a reduced price will be cleared off immediately. Thus you are afforded an opportunity to buy reasonable and desirable merchandise at a decided saving, and we are enabled to keep our stocks complete, fresh, and at attractive all the time.

A week's collection of remnants to be sold in a day—hence the little price.
